Topic: Analytics for Hospitals Health-Care Data

The screenshot displays the IBM Cloud dashboard interface. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Sonali S's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with five recommended actions: 'Build' (tutorials), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'IBM Watson Knowledge Catalog' (2 min), and 'Build a Virtual Private Cloud (VPC)' (7 min). Below this, there are four panels: 'News' (listing updates on pricing, deprecation, and integration), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). A user profile dropdown for 'Sonali S' is visible on the right, offering options like 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The Windows taskbar at the bottom shows the time as 11:16 on 17-11-2022.
